

Building Long-Term Wealth and a Legacy for Shop Owners

Instructor:

Derik Van Ness

There's a big difference between having good income and building lasting wealth. The difference is having a "financial operating system" for your shop.

- ✓ **The 5 key areas to building wealth, income, and the legacy you want to leave behind**
- ✓ **Maximize the value of your shop and turn it into a "Wealth Creation Vehicle"**
- ✓ **A system to transition your income into sustainable wealth**
- ✓ **Secretly grow your money while still using it for your business**
- ✓ **The formula to build family wealth and legacy far beyond having a will & trust**

Get off the financial treadmill of working really hard but not making the financial progress you deserve. This class is for you!
